

# Linear Krystal-Lite (LKL)

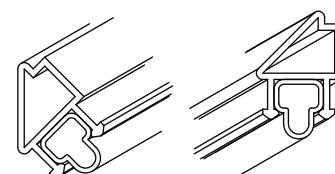

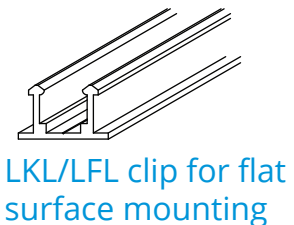

- Exciting light source that is designed for longer life
- Operates on 12V or 24V
- Available in different color options
- Requires much less power than replaceable incandescent bulb systems
- Long run lengths without line-loss
- UV additive inhibits color fading
- Mount with clear LKL clip - surface or angled
- UL, CSA, and FAA approved options available
- Length dependent on spacing and customer requirements
