

Fusion Single Color

- Vibrant neon look without hot spots, 240 LEDs/m
- Available in 8 distinct colors and 3 finishes
- Different mounting options available – shown below
- Available in 12 Vdc and 24 Vdc operating voltages
- Operating temperature: -20C to 45C
- Designed for interior and exterior applications, IP66 / IP67 rated
- Patent #12123585

Dimensions

**Clip: Available in
clear or black**

Adhesive Tape (3M VHB)
